MEMORANDUM FOR: Deputy Director for Administration

VIA: Acting Director of Information Technology

25X1 FROM:
Director of Communications

25X1 SUBJECT: Selection of Standard Multiplexers

25X1 1. As requested, we have traced the routes taken by the
25X1 Office of Communications (OC) and Office of Information
Technology (OIT) to arrive at the different multiplexer standards
in use by the two Offices today. As it turns out, the different
selections are attributable to the timing of the requirements
generating the procurements.
